

FOREST SCHOOL HOLIDAY CLUB NEWSLETTER

October '23 @ Harston and Newton Primary School

What a lovely, busy two days we had in the October Holiday Club! Day 1 saw the making of ghost leaf puppets, magic wands, potions, clay creatures and charcoal hand print spiders. We played a sticky spiderweb game, toasted s'mores on the fire, played in the mud kitchen, built dens, swung in hammocks and on rope swings and listened to stories.

Pumpkins were the star of the show on day 2. We carved them and grated some of the flesh to make pumpkin fritters then our in-house chef toasted the seeds for an extra special snack. There was a limbo and high jumping contest and a singing tree taught us a song about something truly scary: poo. We collected the rain water and used it for water play. We were invited to a haunted house and a fire show and enjoyed some fabulous acting.

We hope to see you again in the next holiday club 21 - 22 February 2024.
